BHARAT KATTULA

SENIOR UX DESIGNER • UI/UX MANAGER

PROFESSIONAL SUMMARY

Senior UX Designer and UI/UX Manager with 15+ years of experience across GUI, UI, and UX design roles, including 6+ years in senior individual-contributor and managerial capacities. Over the past 9 years, has worked end-to-end on mobile app and website design and development, including designing complete mobile app flows in Figma from wireframes through high-fidelity, developer-ready screens. Skilled across prototyping, visual design, and front-end collaboration, with a strong foundation in design tools and web technologies. Seeking to bring a creative, detail-driven approach to a growth-oriented, innovation-led organization.
